

DYIAN

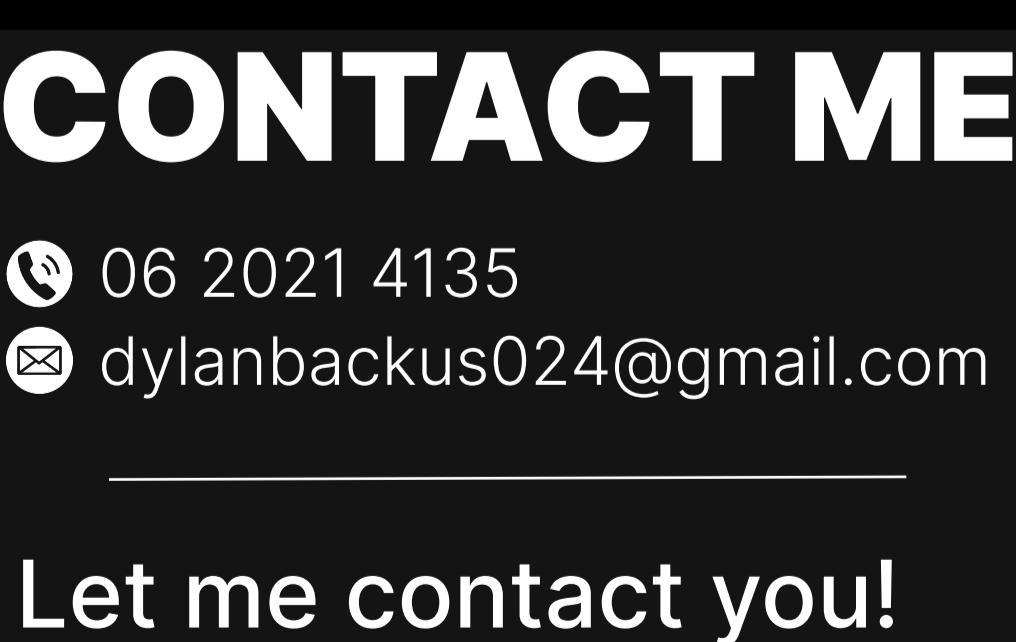

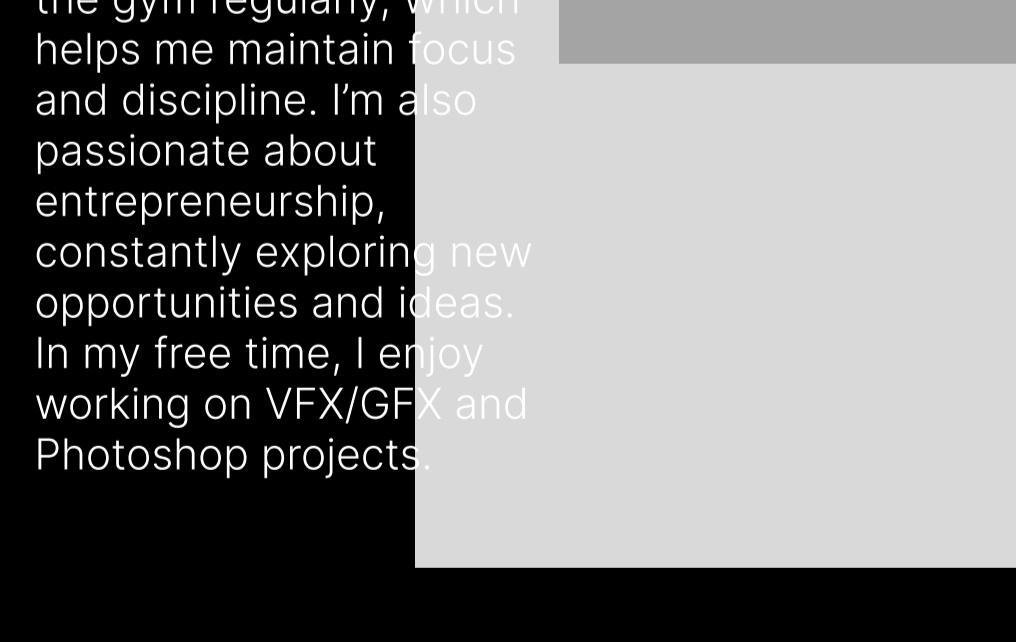

ABOUT ME

18 Years old Software Developer From ROC Nijmegen

FINANCE DASHBOARD

Crypto dashboard, made with React.

ABOUT ME

Hi, I am Dylan. An 18 year old Software Development student from the Netherlands.

Outside of my studies, I stay active by going to the gym regularly, which helps me maintain focus and discipline. I'm also passionate about entrepreneurship, constantly exploring new opportunities and ideas. In my free time, I enjoy working on VFX/GFX and Photoshop projects.
